

Dear customers

December 17, 2023

Kaizan Co., Ltd.

Notification of menu price changes

We sincerely thank you for your continued support of Mt. Fuji Umino-Ie. So far, we have been working hard to stably purchase raw materials and maintain prices. However, due to the recent increase in raw material prices, logistics costs, and labor costs, it has become difficult to maintain the current prices solely through our own efforts.

As a result, we will be implementing a price increase on all group menu products booked after January 1, 2024.

We apologize for any inconvenience this may cause and will continue to strive to provide even greater value and service than ever before.

Thank you for your understanding.
